NEWSLETTER COVID-19 EDITION

**PLEASE NOTE:
PLEASE READ THROUGH
THE ENTIRE NEWSLETTER AS IMPORTANT
CLUB INFORMATION HAS BEEN NOTED**

INSTALLING CLUBMASTER

1. Go to the Google Play Store or App Store.
2. Search for “clubmaster” and click on Clubmaster Members Portal.

3. Install and open the App, it should look like the image to the right.
4. Click on the menu icon (three lines) in the top left hand corner and click "Get "Password".
5. Click on the dropdown below "Select Golf Club", scroll down and select Walmer Golf Club. In the Username Slot, enter your ID number and click "Send Me My Password"

6. Your password will be sent to the email address you currently have registered with the club. The email will contain your username and password.
7. Go back to the main page and once again click the menu icon (three lines) in the top left hand corner and this time click on "Link Your Club Portal".

8. Click on the dropdown below "Select Golf Club", scroll down and select Walmer Golf Club. Enter your username, being your ID number, and the password received via email. Click Register and you should receive a message confirming the successful registration. You will now be able to access online bookings and view your club accounts.

Should you have any problems, please do not hesitate to ask any one of the Pro Shop staff for assistance

CLUB REOPENING PREPARATION

Although the delegation representing golf – comprising GolfRSA, the PGA and the Club Management Association of South Africa – has yet to receive any formal communication from government indicating when golf facilities will be allowed to reopen, it is important that all clubs are adequately prepared for this eventuality.

To that end, the delegation has compiled a list of activities and measures that golf facilities can put in place to safeguard employees and patrons, and best practice activities that your club may wish to adopt.

Note: *Clubs are required to comply at all times with the Disaster Management Act (57/2002): Covid-19 Occupational Health and Safety Measures in Workplaces Covid-19. (C19 OHS), 2020.*

1. SCREENING

It is a requirement in terms of the abovementioned Act and regulations that all employees and staff must be screened for Covid-19 symptoms.

It is likely that regulations will require clubs to also screen all visitors before allowing them access to either the club premises or facilities. A record of all patrons entering the facility may have to be kept.

For preparation:

- Should it be necessary to screen all visitors, clubs should consider the most appropriate place where the screening should take place, for instance at the main gate or a dedicated station to be set up at the clubhouse or various points.
- Clubs to identify who will be appointed as the designated person(s) who needs to be trained to fulfill the screening-related tasks.
- Clubs could create Sanitizing Points, where visitors will sanitize their hands.
- Clubs can acquire digital thermometers.
- Record keeping: GolfRSA is reviewing applications to digitally track all members'/guests' activity – further communication will follow.

2. SOCIAL DISTANCING

Clubs will be required to ensure sufficient distancing when patrons arrive at the facility and at all stages within the Clubhouse facilities.

For preparation:

Clubs to consider how to manage arrival intervals of patrons, as well as the time spent at the golf facility.

3. HYGIENE

- Ensure there are sufficient quantities of hand sanitizer available at all times.
- Ensure all work surfaces and equipment are disinfected before any access to the club premises and regularly during the operational hours for areas such as toilets, common areas, door handles, etc.
- Ensure that there are adequate facilities for the washing of hands with soap and clean water. Only paper towels are provided to dry hands after washing.
- Ensure specific protocols are put in place to avoid any person touching common surfaces on the golf course, such as flagsticks, benches, water fountains, bunker rakes, ball washers.
- Ensure locker room facilities remain closed.
- Ensure every patron wears a mask.

4. PAYMENT SYSTEMS

Clubs should consider payment options to protect the safety of staff and visitors – such as no-touch payment through EFT, club, debit and credit cards.

5. CLUBHOUSE AND STAFF

- Ensure that all equipment, stationery, and tools are thoroughly cleaned after use.
- Ensure workers wash and sanitize their hands regularly while at work.
- Ensure workers interacting with the public sanitize their hands between each interaction with public.
- Ensure that there is a distance at least one-and-a-half metres between workers and members of the public at all times.

For preparation:

Clubs should consider creating signage/information that will be posted at appropriate positions at the facility and generating an Employer Responsibility Checklist.

NOTE: We have prepared detailed GolfRSA best practice guidelines, which we will send out as soon as we have studied the regulations once published.

COVID-19 FUNDRAISER TO ASSIST OUR STAFF

DRAW TO BE DONE AFTER LOCKDOWN

Get an Extra 50% when you #SaveYourSpot

Dear Members & Visitors

Lockdown has distanced us from each other and from the places we used to come together. In times like this we can only reminisce about the good times we had together, and with your help, hope that they will come again soon. Right now, WALMER GOLF CLUB needs you. It's no secret that this time has been especially difficult for people in our industry, which is why Stella Artois has designed a system that allows you to help us out today, by buying a voucher for future use.

All you have to do is:

Visit **RallyForYourBarAndRestaurant.com**

Buy either a R100, R200 or R500 digital voucher and you'll **get an extra 50% extra value on whatever you spend, for FREE!**

We know there are already other voucher programmes out there, but this one is different because not only do you get 150% of the value, but so do we, at no additional cost to us!

Together with Stella Artois, we can SAVE OUR SPOT... Are you in?

Yours in future good times
